

SCHOOL & COMMUNITY PARTNERSHIPS

Our partner program focuses on complementing and supporting existing programs in our local schools and community organizations. Every option is customizable based on class and ensemble needs. We offer customizable scheduling, lengths of contracts, and locations based on what your organization needs.

WHO CAN BE OUR PARTNERS?

Any organization or school that wants to add a little more excitement to their students, tenants, or clients' schedules. We offer programs for youth to adult age groups at all levels.

WHAT CAN OUR PARTNERS DO?

- ✓ An extra **music class** to include after-school
- ✓ A weekly movement class for **senior tenants** to enjoy
- ✓ Extra help **preparing for a concert** from fellow experts

When you partner with Bloomingtondale School of Music, you receive a customized experience to fit your needs.

WHAT ARE THE BENEFITS?

- 20% Discount on private lessons, group classes, and ensembles for all constituents from school or organization for first-time students
- Access to concerts, workshops, and events onsite and online as well as access to practice rooms
- Discounted summer programming
- You will also have access to Bloomingdale branded items for participants when available
